Anyone with fever or symptoms consistent with COVID-19 (including but not limited to fever, cough, or shortness of breath) will be denied entrance and instructed to seek medical attention. All attendees must furnish basic contact information for our mandatory attendance log to facilitate contact tracing. Each attendee will be issued a color-coded daily wrist band which must be displayed at all times during the Sale.

All attendees must wear face masks that cover the mouth and nose at all times. Replacement masks will be available at the Information Booth upon request.

Social distancing requirements of 6 feet will be enforced at all times by security personnel.

Handwashing and hand sanitizer stations will be available throughout the Sale area. Personal hand sanitizers will be distributed at the Information Booth upon request.

Disinfectant wipes will be placed at yearling video terminals. Attendees are instructed to use the disinfectant wipes before use, especially on hip number access pads and public seating.

Access to the Sales Pavilion will be limited to 250 people, monitored by ushers at the entrances. An auxiliary sales tent with monitors and bid spotters will be provided for additional customers.

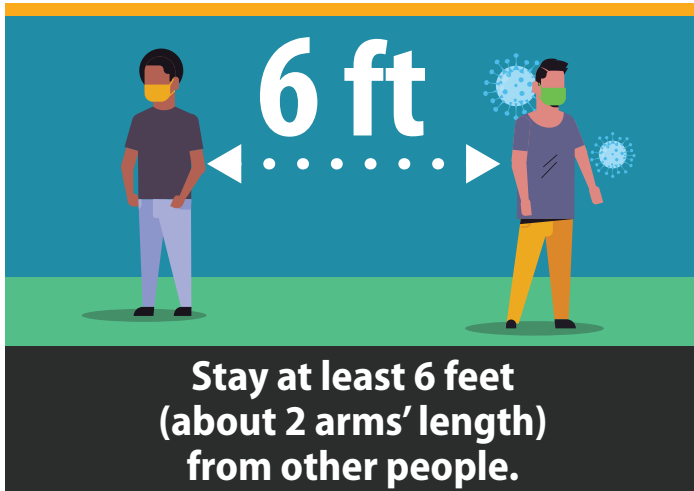

Access to the Cashier's Office, the Credit Office, and the Sales Office will be highly regulated to preserve social distancing. Your patience and assistance with settlement procedures are vital.

Signage will be posted throughout the Sales area to assist with COVID-19 compliance.
